

Dear **First-name Surname**

You are cordially invited to join us in Ostende on Friday 27th September  
for the launch of our new Boeing 747-400 Freighter aircraft

# Launch event

On behalf of ANA Airline Management and the whole Network Aviation Group, we are pleased to invite you to the launch party of our new Boeing 747-400 Freighter aircraft that joins our fleet on Friday 27th September 2013.

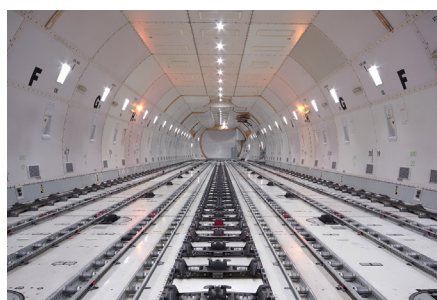

We will be celebrating with drinks and a buffet lunch as well as a closer inspection of the aircraft with a guided tour to show of its capabilities.

The aircraft will be based in Ostende, Belgium alongside our existing fleet of MD11F aircraft and will operate on some of our partner airlines scheduled routes as well as being available for ad-hoc charters on a worldwide basis.

The aircraft is a factory built B747-400F with both nose and side doors and with a maximum capacity of 110,000 Kilos Net.

Please see below for further details regarding this exciting day out.

**We very much look forward to you joining us on this historic day.**

Location:  
Ostend Airport, Terminal Building, Belair restaurant

Date:  
Friday 27th September 2013

Time:  
12:00 to 16:00 local

Programme:  
Meet for drinks at midday followed by a buffet lunch  
Guided Tour of aircraft B747-400F

Transport:  
Transport to and from Belgium will be provided courtesy of ANA/NAS;  
further arrangements to be confirmed upon RSVPs.

Please email your RSVP to [events@ana-aviation.com](mailto:events@ana-aviation.com)

If you will be attending, please ensure you attach a  
**colour copy of your passport,**  
this is required for security reasons for Ostende Airport.
